

TODAY'S GAME IS ON SWINGTRIBE

Get the app. Score as you play.

BEFORE YOU TEE OFF

1 Scan the code.

It opens the App Store or Google Play. If SwingTribe is already on your phone it opens the app instead.

2 Sign in with the number you entered with.

The mobile number you gave the organiser is what claims your profile, your handicap and your place in the field.

3 Open today's game.

Scan the game code your organiser is handing out, or tap the link they sent you. You need to be in the game to score it.

ON THE COURSE

1 Tap .

It sits at the bottom of the leaderboard. Once anyone in the field has scored, look for the green  pill instead.

2 Tap a player, enter the hole.

Quick Picks for a birdie, par or bogey. Num Pad for anything else.

3 One phone can do the fourball.

Score everyone in your group. When the group is in, it moves to the next hole on its own.

4 No signal is fine.

Keep scoring. Scores are saved on your phone and sent the moment you are back in coverage.
